The screenshot shows a Google Meet interface. At the top, the browser address bar displays the URL: `meet.google.com/tie-hvud-gai?authuser=0`. The Meet header shows "Sushanth Asst.Prof is presenting" and a "REC" button. The main content area displays two LaTeX documents side-by-side. The left document, titled "multiline.tex", contains LaTeX code for using `\multline` and `\split` environments. The right document, titled "multiline.pdf", shows the rendered output of the same code, including mathematical equations and a complex formula (5). The right sidebar shows a grid of participants: Mantarala Likhitha, Elston Dsouza, Kavana Gowda, Asha Totagi, Vikas Rao, Shrinivas kunder, Alsten Tauro, and Sushanth Asst.Prof (who is presenting). The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 12:02 PM on 17-Jul-20.
